

## Phi Sigma Tau Philosophy Honors Society Mentoring Program Application (Mentee)

The following questions are intended to allow us to get to know a little bit about what you are interested in, what your future plans are, and what past philosophical experience you have. Such information will help us get a better idea of how to help you best achieve your goals as a philosophy major at Rutgers, and decide which mentors will be a good match for your interests. This is not a competitive application, so don't worry about providing credentials.

All applications should be emailed to: paulmusso2@gmail.com

**(Note: Joining the mentoring program as a mentee is *not* the same as joining the Phi Sigma Tau Honors Society. To join the honors society you must be a junior, as well as meet specific academic criteria which you will certainly learn about if you are in the mentoring program.)**
